REPRESENTATION — UK WIZZO & CO · POLAND THE REEL FRIENDS · INDIA TULSEA TALENT

Dmytro hails from Ukraine and is now based in Barcelona. He trained at the Global Cinematography Institute in LA and since then has shot a number of features, including *Easy*, directed by Andrea Magnani, *The Inglorious Serfs*, directed by Roman Perfilyev and Olga Ryashina's *Rocky Road to Berlin*.

He most recently served as director of photography on *Merry Christmas Aubrey Flint*, starring Richard E. Grant, Jim Broadbent and Celia Imrie, currently in post-production ahead of a UK theatrical release through Signature Entertainment. The Netflix series *Saare Jahan Se Accha*, produced under the working title *For Your Eyes Only* and shot on location in Budapest and India, released on Netflix in 2025.

He has also been working as an AI visual artist, developing a hybrid live-action and AI-animation approach together with director Jovardi. The resulting short film *White Deer*, shot using that process, credits him as both director of photography and AI visual artist.
